LEGACY : PARENTING WITH ETERNITY IN MIND

**Every child, at every
phase, is changing.**

**Every phase of a kid's
life provides challenges
and opportunities
for parents.**

THREE KEYS TO EFFECTIVE PARENTING THROUGH THESE PHASES:

1. Know what's going on in your child's particular phase.
2. Know your **role** in that phase.
3. Help your child **transition** to their next phase.
