

Why Orange?

Deuteronomy 6:4-9

Change - Partnership

Strategy : segregated activity vs integrated activity

We evaluate what we are DOING in light of where we are GOING
Church and home have the same end in mind

Refine the Message : relevant to the listener and memorable

Elevate Community : we live life together in community

Two combined influences increase the odds of everyone connecting to a caring leader and consistent group of peers

Reactivate The Family : Parents/Guardians actively participate in spiritual formation

Deuteronomy 6:4-9

Levels of Partnership : aware - involved - invested - engaged

Your family times

Meal time - 'sit in your house'

Drive time - 'along the road'

Bed time - 'when you lie down'

Morning time - 'when you get up'

Orange Thinking = heart of home + light of church
